Re: American Electric Power, Moundsville, WV
Freedom of Information Act Request: EPA-R3-2013-007103

Dear Mr. Hilbert:

This letter is in response to the above-referenced Freedom of Information Act (FOIA) request received on May 30, 2013. The Land and Chemicals Division searched its records and voluminous responsive documents, the review and copy of which would well exceed the \$25.00 fee that your request authorized. On July 2, 2013, Shanna Halpern of my staff spoke with Melissa Rome of your staff about this, and similar FOIA requests that you recently filed. Ms. Halpern wondered whether you could limit the scope of your request in any manner and suggested that a Compliance Monitoring and Enforcement (CME) Data report summarizing the Resource Conservation and Recovery Act related activities taken by both EPA and West Virginia might be the way to go. Ms. Halpern also added that our regional website (<http://www.epa.gov/reg3wcmd/ca/wv.htm>), also had links to Corrective Action related materials that might be of interest to you. Ms. Rome agreed and accordingly we are sending you the enclosed CME reports. If you need any more information after reviewing the CME data, as well as what's on our website, please feel free to file a new FOIA request.

You may appeal this response to the National Freedom of Information Officer, U.S. EPA, Records, FOIA and Privacy Branch, 1200 Pennsylvania Avenue, NW (2822T), Washington, DC 20460, Fax: (202) 566-2147, E-mail: hq.foia@epa.gov. Only items mailed through the United States Postal Service may be delivered to 1200 Pennsylvania Avenue, NW. If you are submitting your appeal via hand delivery, courier service or overnight delivery, you must address your correspondence to 1301 Constitution Avenue, N.W., Room 6416J, Washington, DC 20004. Your appeal must be made in writing, and it must be submitted no later than 30 calendar days from the date of this letter. The Agency will not consider appeals received after the 30 calendar day limit. The appeal letter should include the FOI listed above. For quickest possible handling, the appeal letter and its envelope should be marked "Freedom of Information Act Appeal." If you have any questions, feel free to contact Shanna Halpern of my staff at (215) 814-3396.
